Description

The property offers flexible accommodation over one level and would be well suited to young families, or those looking to downsize to something a little more manageable. Though generally well preserved there is excellent scope to upgrade and modernise to suit individual taste.

The property is accessed via a sunny entrance porch, with space to relax and enjoy the evening sunshine, and briefly comprises a main hallway with excellent built-in storage, spacious bay fronted reception room which enjoys a bright westerly aspect and features a focal fireplace and coving, versatile dining/family room which would also work well as an office space for homeworkers, well equipped kitchen with clothes pulley which has been fitted with a variety of white base and wall units, complete with contrasting worktops, mosaic tiling and a range of built-in appliances. A rear porch off the kitchen houses the washing machine and gives access to the rear garden.

There are two good sized double bedrooms both quietly located to the rear overlooking the back garden, and a wet room with two-piece white modern suite and walk-in electric shower area.

Extras

All floor coverings, fixtures, light fittings, white goods, blinds and integrated appliances will be included.

Plans previously approved to extend front garage storage area meet the porch and create third bedroom room/home office. More information on this is available via request.

Gardens and Parking

To the front of the house are well stocked planted beds, together with a double driveway and useful store. To back is an enclosed low maintenance garden which has a lovely peaceful feel and has been laid predominantly to paving slabs, peppered with a selection of shrubs, flowers and small trees.
