The Property

This detached house was built in 2009 as an individual addition to this small close tucked away within a corner plot. Southfield is set within a desirable position on the south-westerly aspect of Tetbury with the town centre located within walking distance. The property presents as a blank canvas ready for the next owners to put their mark on it.

The accommodation offers around 1,380 sq.ft. arranged over two floors. The ground floor opens to a central entrance hall and includes a spacious dual-aspect reception room and a kitchen/breakfast room at the rear. There is a downstairs WC and office positioned off the hallway. Upstairs, there are two double bedrooms both with built-in wardrobes and two single bedrooms. The main bedroom is accompanied by an en-suite shower room while the family

bathroom is located off the landing.

The property is approached over a shared access drive which opens to a private large parking area in front of the property. There are also two EV charging points. Enjoying both south and west aspects, the corner plot offers a good-sized garden laid mostly to lawn with a patio terrace adjoining the reception room double doors.
