

Patchings, Horsham, West Sussex, RH13 5HL

woodlands

Set within a rarely available and highly regarded residential road, this appealing home presents an exciting opportunity for buyers seeking a property with both immediate comfort and exceptional future potential. Offered to the market with no onward chain, the house occupies a generous plot which offers significant scope for enlargement and improvement, much like a number of neighbouring homes have already achieved, subject to the relevant permissions.

The location is particularly popular with families, positioned within the desirable school catchments for Heron Way Primary School as well as Millais and Forest secondary schools. For those who enjoy the outdoors, St Leonards Forest is close by, providing beautiful countryside walks and open green spaces, while Horsham's mainline station is also within easy reach, offering direct services into London Victoria in under an hour.

Horsham continues to grow in popularity thanks to its excellent blend of traditional charm and modern convenience. The town centre offers an impressive range of independent shops, cafés and restaurants alongside well-known high street retailers and supermarkets, including Waitrose/John Lewis. Excellent transport connections are also nearby, with the A264 and A281 providing convenient access towards Gatwick, London and the south coast.

Approached via a spacious private driveway with parking for several vehicles, the property enjoys an attractive frontage enhanced by lawned areas and mature borders that give a well-established feel. A covered entrance porch opens into a welcoming hallway, leading through to the main accommodation.

The standout living space has been thoughtfully extended to create a substantial lounge and dining area, ideal for both everyday family life and entertaining. Cleverly divided whilst still retaining an open feel, the front room is a generous sitting room with glazed double doors splitting this from the extended dining room with additional seating area beyond with patio doors leading out to the garden. The kitchen is fitted with a range of wall and base units and connects to a useful utility area with cloakroom positioned behind the integral single garage, a space which could also offer excellent potential for further conversion or incorporation into the main living accommodation.

To the first floor are three bedrooms, all of which are comfortable doubles, together with a family bathroom and separate wc.

The rear garden is a true feature of the home, enjoying a desirable southerly aspect that captures sunshine throughout the day. Mature planting, established borders and a generous lawn combine to create a wonderfully private and inviting outdoor setting, perfectly suited for relaxing, entertaining or family enjoyment.
