Some homes need a vision. This one simply needs the keys. Beautifully presented, thoughtfully improved and ready to enjoy from day one, this four bedroom semi-detached home on Cadeby Grove, Milton offers the kind of space, finish and flexibility that makes everyday family life feel effortless. From the stylish interiors to the generous rear garden, it is a home that has clearly been designed with modern living in mind.

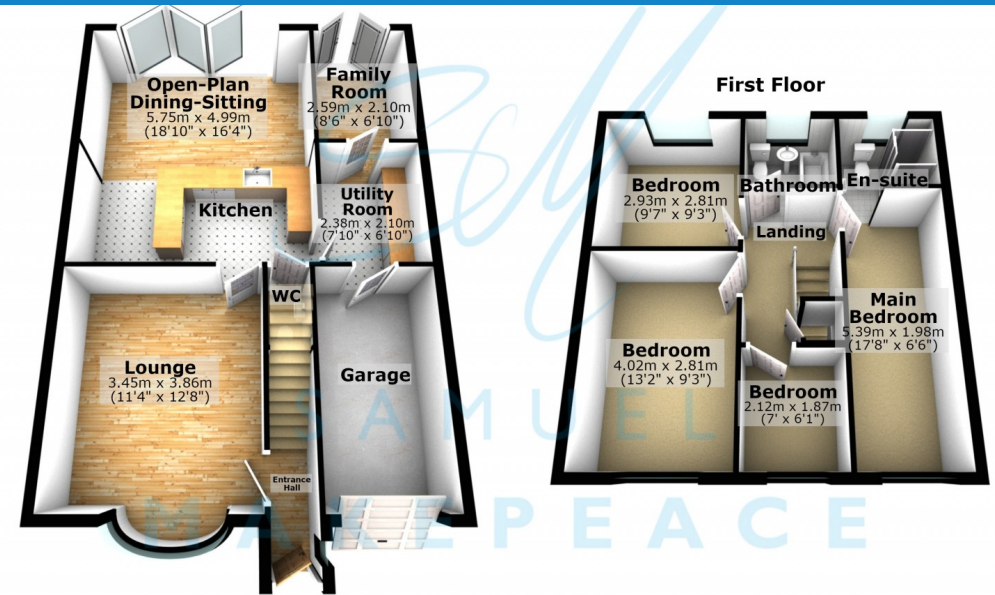

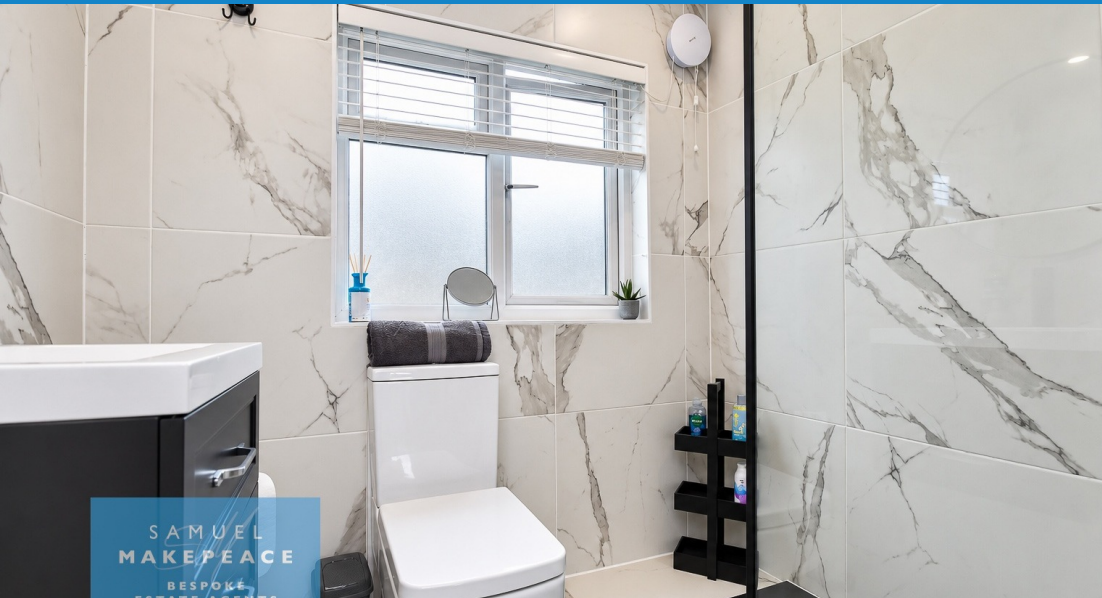

Step inside and the quality continues throughout. The welcoming entrance hall leads into a comfortable lounge featuring a contemporary media wall with a bioethanol fire, creating an ideal space to unwind. The real heart of the home, however, is the impressive kitchen diner, complete with fitted wall and base units, integrated dishwasher, built-under oven, gas hob, skylights and bifold doors opening directly onto the garden. Underfloor heating and tiled flooring add to the sense of comfort, while the adjoining utility room provides useful additional storage and appliance space.

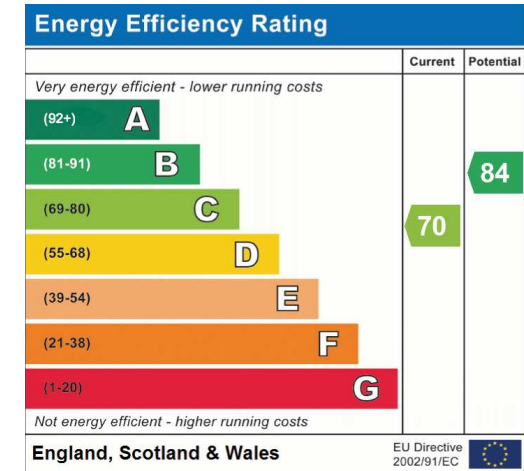

Adding even more versatility is the separate family room, flooded with natural light from a skylight and opening onto the rear garden through French doors. Whether used as a second sitting room, playroom, home office or entertaining space, it gives the ground floor a superb amount of flexibility. A downstairs cloakroom/WC completes the accommodation on this level, making the layout particularly practical for busy households.

Upstairs are four well-proportioned bedrooms, including a spacious main bedroom with underfloor heating and its own ensuite shower room. Bedroom Two benefits from fitted wardrobes, while Bedrooms Three and Four offer further excellent family, guest or office space. The family bathroom is finished with a bath and shower over, vanity wash basin, low-level WC, tiled flooring and a vertical panel radiator, creating a smart and functional space.

Outside, the property continues to impress. To the front is a driveway providing off-road parking for multiple vehicles, while the rear garden offers an inviting paved patio area leading onto a long lawn, ideal for children, entertaining or simply enjoying the outdoors. With its stylish finish, extended living space, four bedrooms and move-in ready condition, this is a home that offers far more than first impressions suggest and one that is certain to appeal to buyers looking for space without the need for immediate work.
