A Versatile Freehold Property with Panoramic Sea Views towards St Michael's Mount

Situated in a prominent position, this deceptively spacious freehold property offers an incredible investment opportunity or the potential to create a substantial coastal family home. Currently configured as two independent, self-contained flats, the property provides superb flexibility for multi-generational living, home-with-an-income options, or straightforward buy-to-let investment. Alternatively, it could easily be converted back into its original grand layout as a single residence.

Accommodation Layout:

Ground Floor Flat (One Bedroom): A comfortable and level-access self-contained flat featuring a welcoming lounge, a practical kitchen, a shower room, and a double bedroom.

Maisonette / First & Second Floor Flat (Two Bedrooms): Spanning the upper two floors, this spacious apartment boasts a bright lounge positioned to take full advantage of the views, a separate kitchen, a bathroom with separate shower, and two well-proportioned bedrooms.

Outside & Views:

To the rear of the property is a private enclosed garden, offering a perfect blank canvas for landscaping, outdoor dining, or a peaceful retreat. Elevating this property's appeal is its frontline aspect looking directly across the railway line, offering unobstructed, sweeping views out across Mount's Bay towards the iconic St Michael's Mount.

SERVICES: Mains Electric, water and drainage - HEATING: Gas central heating - COUNCIL TAX: Each Flat is Band A - BROADBAND & MOBILE: Ofcom suggest U;trafast is available but none are connected and that mobile coverage is good on most networks.
