SITUATION

On the edge of Porthtowan at the end of Jollys Lane. The north coast, cliffs and South west Coastal Footpath are a short walking distance to the north.

THE HOUSE

The approach to Southview Farmhouse from Jollys Lane, which is a public byway, is to a stone chipped drive, with low wall and brick paved car parking area off, from which paths and steps lead up to the front door.

The house is delightfully presented to the market and includes, on the ground floor, a good sized triple aspect enclosed Entrance Porch with part exposed stone elevations and an internal front door to Small Hall with stairs to the first floor and doors off to two front Reception Rooms. These include a Sitting Room with shelved recesses and double aspect and a Living Room with stone fireplace with inset electric wood effect wood-burner on slate hearth.

At the rear is a fine Kitchen with an extensive range of matching Shaker style base and eye level units with solid sparkle quartz worktops to splashback tiling and including deep Belfast ceramic sink with contemporary mixer tap; inset fan assisted oven, separate microwave oven and grill; pull out larder cupboards and spice rack; integrated dishwasher, washing machine and refrigerator; as well as a fine matching island unit with eight-place induction hob with extractor hood over and side pop up electric sockets. Adjacent is a side Hall with space for freestanding refrigerator and opaque part glazed door to outside and a Utility Cupboard and fitted shelving.

On the first floor is a Central Landing with doors off to three Double Bedrooms and a Single Bedroom, plus a fully tiled Family Bathroom with panelled P-shaped bath with electric shower and screen over, wc, towel radiator and modern vanity washbasin.

THE GARDEN

On the northern, eastern and western sides of the house are well tended and presented gardens with areas of lawn to shrub and hedge borders and including a timber and bitumen felt Garden Shed and a good sized timber and bitumen felt Outbuilding - currently used as a Workshop - with an adjoining pair of Stores.

Within the garden is a raised decked seating area and a centre piece apple tree. Adjoining the house is an outside Gardener's Toilet.

THE DETACHED GARAGE

A detached block Single Garage with wide vehicular double doors and side windows. (The adjacent timber and bitumen felt Shed is excluded from the sale).

THE RECREATIONAL FIELD

Adjoining to the west is a regular shaped grass field, the remains of an old Nissan Hut and site of an old orchard.
