£239,950

A Three Bedroom Home with Open Views and Excellent Parking - £1000 contribution towards costs.

A particularly appealing three-bedroom semi-detached house occupying a pleasant position towards the top of this popular residential development, conveniently located close to Newport town centre while also enjoying an open outlook across the town.

The position offers the best of both worlds, with the amenities of Newport within easy reach and straightforward access towards the ferry links at Fishbourne and East Cowes.

The property provides well-proportioned accommodation with three bedrooms, making it a versatile home for families, couples or those looking for additional space to work from home.

Outside, parking is a particularly useful feature, with a garage and two further parking spaces to the rear.

Offered with vacant possession and no onward chain, this is an appealing opportunity for both owner-occupiers and investors. The seller is also offering a £1,000 contribution towards the buyer's costs, subject to the usual terms.

The neighbouring two-bedroom property is also available, presenting an interesting proposition for landlords or investors considering the acquisition of two adjoining properties in the same location.

A well-positioned home with useful parking, open views and excellent potential — an early viewing is highly recommended
