2 Kilspindie Crescent

Dundee, DD2 3WU

Nestled in a tranquil corner of Kilspindie Crescent, Dundee, this splendid semi-detached house, built in 2018, offers a perfect blend of modern living and spacious comfort. Spanning an impressive 1,281 square feet, this property is one of the larger designs within its development, making it an ideal choice for a growing family.

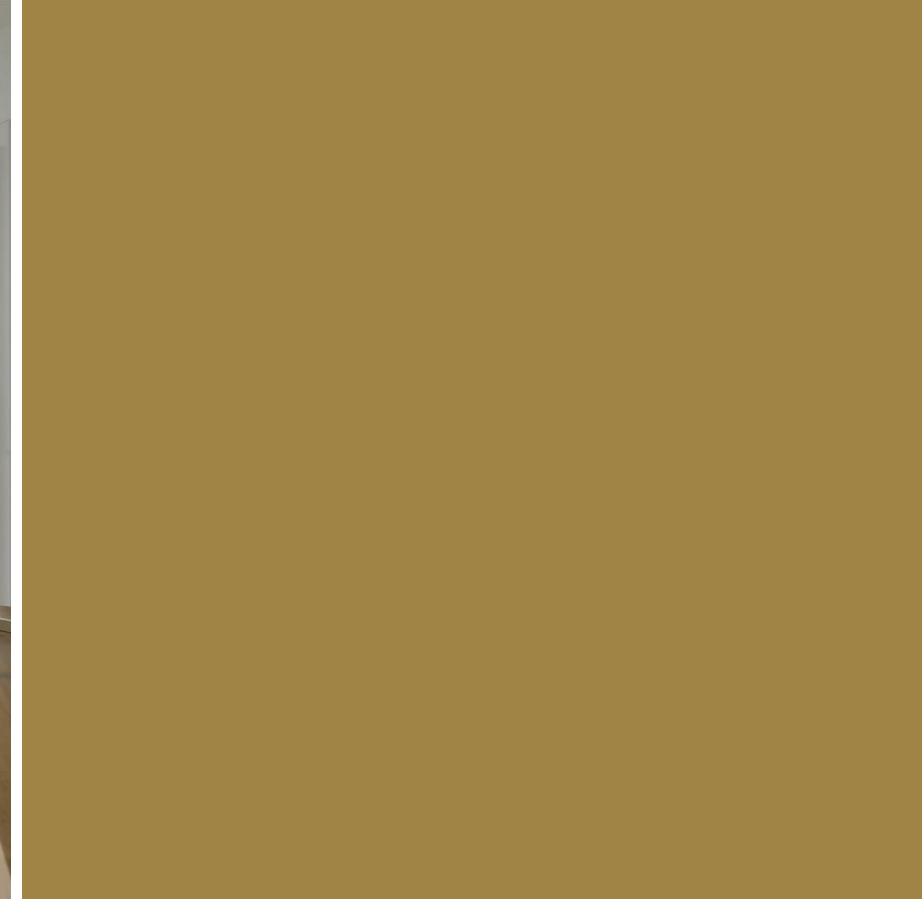

Upon entering, you are welcomed into a generous living room that seamlessly flows into a remarkably large kitchen, perfect for both everyday living and entertaining. The kitchen is complemented by a practical utility room, ensuring that all your household needs are met with ease. A convenient downstairs WC adds to the functionality of the ground floor.

As you ascend to the upper level, you will find three spacious bedrooms, each designed with comfort in mind. The master bedroom boasts a very large ensuite bathroom, providing a private retreat, while a well-appointed family bathroom serves the other two bedrooms.

The property is situated on a desirable corner plot, which not only enhances its appeal but also offers a substantial garden space to the front, side, and rear. This outdoor area is perfect for children to play or for hosting summer gatherings. Additionally, the driveway accommodates parking for up to four vehicles, a rare find in many homes.

Given the popularity of this street, with our last property here being snapped up quickly, we highly recommend scheduling an early viewing to avoid disappointment. This home is a true gem, combining modern amenities with ample space in a peaceful setting.
