Individually designed and built by Peter Leake Developments in 1994, this excellent modern house combines the charm of traditional flint and brick exterior with spacious and contemporary interior, perfect for today's family lifestyle and entertaining.

Arranged around the central reception hall there are four living rooms, each with a defined purpose whilst offering a degree of versatility. The kitchen – breakfast room makes an ideal hub of the family home with space for informal dining and there are integrated appliances and a range cooker.

Over first and second floors, there are seven bedrooms, most have wardrobes and the principal and second bedrooms have ensembles. The two top-floor bedrooms could also be used as a studio or games room.

Mature and naturally secluded gardens encompass the house and include an area of coppice and, approached over a long driveway, the house is set back with ample parking in addition to the detached double garage.

Well presented, an impressive house in this high-value village location.

The property has a frontage of some 180' to this sought-after no-through avenue close to Chipstead Golf Club.

The M23/M25 intersection is within a few minutes' drive, bringing Gatwick in 20 minutes, Heathrow in 40 minutes and the coastal ports and the Eurotunnel also within easy reach. Chipstead Station is a 10-minute walk and has direct services to London Bridge and Victoria, Coulsdon South Station offers faster direct rail services (21 minutes) into the city.

Chipstead has local shopping at the station parade whilst more extensive facilities are available at nearby Banstead, Coulsdon and Reigate. The area has a choice of excellent schooling such as Epsom College, Whitgift, Royal Alexandra and Albert, Reigate Grammar, Dunnotar, Caterham School and The Hawthorns School.

Chipstead has unspoilt rural village charm with its pretty Norman church, village pond, local pubs and annual flower show and fete. Remarkably, the village caters for almost every sport including clubs for golf, rugby, cricket and football, it also forms part of the course for the annual London to Brighton cycle race. There's abundant open countryside for walking, cycling and riding with numerous liveries in the area.
