Introduction

The first viewings will be carried out on Saturday 19th September 2026.

A beautifully presented two bedroom semi detached bungalow situated on a lovely Cul-De-Sac with a superb open plan living space, generous gated driveway and an exceptional south facing landscaped rear garden.

Cornerstone are delighted to offer for sale this stunning two bedroom semi detached bungalow, positioned on the southern side of Moortown, close to the borders of both Meanwood and Chapel Allerton. Beautifully presented inside and out, the property combines contemporary interiors with an exceptionally well-designed garden and excellent off-street parking.

From the moment you arrive, the attention that has been given to this home is immediately apparent. A sliding metal entrance gate opens onto a smart tarmac driveway which provides ample off street parking and continues down the side of the bungalow. Down the side of the property, the driveway opens into what is undoubtedly one of the property's standout features a beautifully landscaped, stylish and wonderful south facing rear garden.

Internally, the property has been thoughtfully finished and designed with the real centerpiece being the impressive open-plan kitchen, sitting room at the rear. Filled with natural light and opening directly onto the raised terrace in the rear garden through two sets of French doors, this is a wonderful space for everyday living as well as entertaining.

Hallway

The property is entered through a contemporary composite front door, opening into a welcoming entrance hall.

The hallway immediately sets the tone for the rest of the home, with attractive flooring and a clean, modern decorative finish. From here, doors lead to the bedrooms, bathroom and the superb open-plan living accommodation towards the rear. A pull down loft ladder in the hallway also gives easy access to the loft above.

Open Plan Kitchen, Sitting Room or Dining Room

The undoubted heart of this home is the fabulous open plan kitchen and sitting room which also has space for a dining area or could be used solely as a dining room depending on the new occupiers preferences.

Created as one sociable space, it is perfectly suited to modern living and allows the kitchen, sitting area to flow naturally together. The room feels wonderfully light and spacious, helped by the extensive glazing and French doors directly opening onto the raised rear terrace, allowing the indoor and outdoor spaces to work beautifully together during the warmer months.

The kitchen itself has been finished in a stylish contemporary design, incorporating an extensive range of attractive fitted units together with contrasting work surfaces and integrated appliances.

Principal Bedroom & En Suite

The principal bedroom is a generously proportioned and a beautifully presented double bedroom.

Positioned towards the front of the bungalow, the room benefits from excellent natural light and has more than enough space for a large bed together with freestanding bedroom furniture.

The neutral decoration and attractive flooring continue the tasteful finish found throughout the property and creates a calm, comfortable bedroom with a large double glazed bay window to the front elevation and benefits from an en suite. The en suite comprises a wash basin, shower and a toilet.

Bedroom Two

The second bedroom provides another versatile room.

It could comfortably be used as a guest bedroom, home office, dressing room or permanent second bedroom depending upon the requirements of the next owner.

This flexibility makes the bungalow equally appealing to downsizers, professional couples, smaller families or buyers looking for a home with dedicated working from home space. Bedroom two also benefits from a section of the timber that can be lifted to access a cellar space below the bungalow.

Bathroom

The bathroom has been finished in a smart contemporary style and complements the remainder of the property beautifully.

Modern sanitaryware is combined with attractive tiling, fitted storage and a clean, decorative finish, creating a practical yet stylish space. There is a bath, wash basin, heated towel radiator and a toilet.

The Outside

The outside space at 10 Carr Manor Walk is quite exceptional and, in our opinion, forms an integral part of what makes this bungalow so special.

Gated Driveway

To the front, a sliding metal gate opens onto an extensive tarmac driveway, providing excellent off street parking. Rather than stopping at the front of the bungalow, the driveway continues along the side elevation before opening into the rear.

South Facing Rear Garden

The rear garden has clearly been created with outdoor living and entertaining in mind. Immediately outside the open plan living area, the two sets of French doors opening onto a raised terrace, creating an almost seamless transition between the house and garden.

This terrace benefits from a particularly stylish covered section, providing a fantastic outdoor seating area where you can enjoy the garden while still having some shelter from the elements. It is easy to imagine this becoming an extension of the main living room throughout spring and summer.

Steps lead down into the main garden where a further patio creates another excellent seating and entertaining area. The garden continues down onto a beautifully maintained lawn surrounded by mature and thoughtfully planted borders, providing colour, texture and greenery. A timber garden shed with power provides a useful space for a little utility area or a workshop, while tucked away beyond the shed is a small sunbathing patio. A wonderfully private spot designed to make the most of the garden's sunny orientation.

With its south-facing aspect, multiple seating areas, mature planting, lawn and excellent connection with the house, this is a garden that can genuinely be enjoyed throughout the day. Whether hosting friends for a summer barbecue, having breakfast on the terrace or simply relaxing with a drink at the end of the day, the outside space has been exceptionally well considered.
