Hopton Close is situated within the highly sought-after village of Bartestree. Between Bartestree and the adjoining village of Lugwardine, there is an excellent range of amenities including Lugwardine Primary School, St Mary's Secondary School, local shops, a church, two public houses, a chip shop, village hall and playing fields. Accommodation

Ground floor

The welcoming entrance hall provides access to all of the ground-floor accommodation, with the layout offering an excellent degree of flexibility for both everyday family life and entertaining. Positioned to the front of the property is a useful study, providing a dedicated space for those working from home, while remaining separate from the main living areas. There is also a convenient ground-floor WC. A separate utility room offers practical additional space, with provision for a washing machine and tumble dryer, as well as

housing the boiler. A side external door provides easy access outside particularly useful for busy family life, muddy shoes or pets. Also situated to the front is a generously proportioned reception room, currently arranged as a formal dining room. Its size and versatility mean it could equally make a comfortable second sitting room, children's playroom or family room, allowing the accommodation to adapt as needs change. To the rear, the living room is a light and airy space enjoying an outlook across the garden, with double doors opening directly onto the patio. This creates a lovely connection between the house and outside space during the warmer months, while the generous proportions provide plenty of flexibility for different furniture arrangements and uses. The kitchen forms another particularly impressive part of the home and is designed with both family living and entertaining in mind. A comprehensive range of matching wall and base units provides excellent storage and workspace, complemented by a central island with seating for up to four bar stools, ideal for informal breakfasts, catching up over coffee or entertaining while cooking. Integrated appliances include two ovens, a microwave, dishwasher and five-ring induction hob, together with a 1.5 bowl sink. Natural light is drawn into the room through a Velux window, while double doors open directly onto the rear garden, making it easy to take dining and entertaining outside during the summer months. Located just off the kitchen is a particularly useful pantry cupboard, providing plenty of additional storage together with further worktop space. This is ideal for keeping everyday appliances, food and kitchen essentials neatly tucked away, helping to keep the main kitchen uncluttered while adding another practical element to this well-designed family space.

First floor

The first floor is home to four well-proportioned bedrooms, providing excellent accommodation for growing families and plenty of flexibility for guests or additional home-working space. The principal bedroom is a particularly impressive retreat, benefiting from its own dressing area with an excellent amount of storage, together with a private en-suite shower room. Wonderful countryside views provide an attractive backdrop and add to the sense of space, creating a peaceful setting to wake up to each morning. There are three further bedrooms, offering comfortable and versatile accommodation ideally suited to family life. Depending on individual requirements, the rooms could

equally accommodate children, visiting guests or provide further study or hobby space. Completing the first floor is a well-appointed modern family bathroom, fitted with both a separate bath and walk-in shower, alongside a WC and wash hand basin. An obscured window to the rear provides natural light whilst maintaining privacy, resulting in a bright and practical bathroom well suited to the demands of a busy household.

Outside

To the front of the property, a generous concrete and stone driveway provides comfortable off-road parking for up to four vehicles. Positioned on the driveway is a large storage shed, complete with lighting and power, providing excellent space for bikes, garden equipment, tools and additional household storage. Gated side access leads conveniently through to the rear garden. Immediately adjoining the rear of the house is an extensive paved patio, creating a fantastic space for outdoor dining, summer barbecues and entertaining family and friends. With direct access from both the kitchen and living room, the patio feels like a natural extension of the indoor living accommodation during the warmer months. Attractive raised beds sit to both the left and right, providing established areas for flowers, shrubs and planting and adding interest to the garden without requiring excessive maintenance. Steps lead up to the main garden, which is predominantly laid to lawn and fully enclosed by fencing, providing a generous and secure space well suited to children, pets and family life. A particular highlight is the property's position adjoining open countryside, with the garden neighbouring a field and enjoying gorgeous far-reaching rural views. The open outlook creates a wonderful sense of space and provides an attractive countryside backdrop rarely found with such a practical family home.
