About The Property

Looking for a ground floor apartment within walking distance of Cardigan town, with views towards the River Teifi and the opportunity to modernise and add value? This two-bedroom leasehold flat on St Dogmaels Road offers well-proportioned accommodation, off-road parking and a private patio area, all within easy reach of the amenities of Cardigan and the beautiful coastline of Cardigan Bay.

Situated on the outskirts of Cardigan town along the popular St Dogmaels Road, this ground floor two-bedroom flat presents an excellent opportunity for buyers looking for a property to modernise and make their own. With views towards the River Teifi, off-road parking and a private patio area to the front, the property offers comfortable accommodation in a convenient location close to the facilities of Cardigan and the stunning coastline of West Wales.

The property is approached via a side entrance hallway which provides access to the principal rooms. The accommodation is arranged across a single level, making it suitable for a range of buyers including first-time purchasers, downsizers or those seeking an investment opportunity.

The living room is a bright and generously proportioned space, benefiting from a wide sliding patio door opening onto the front terrace. This creates a pleasant outlook across the front garden area and towards the surrounding greenery and River Teifi beyond. The room offers plenty of space for both seating and dining furniture if required and has a useful storage cupboard.

An archway leads through to the kitchen/diner, fitted with a range of matching wall and base units. The kitchen currently houses the mains gas central heating boiler and benefits from a recently installed electric oven together with a new freestanding fridge & freezer. While functional, the kitchen offers clear scope for updating to suit modern tastes and requirements.

Details continued:

The accommodation includes two bedrooms positioned towards the rear of the property. Both rooms overlook the rear path and provide comfortable bedroom space. The principal bedroom is a good-sized double room with a built in wardrobe, while the second bedroom would work equally well as a guest bedroom, study or hobby room.

Completing the accommodation is the bathroom, fitted with a bath with shower over, wash hand basin and WC. Similar to the kitchen, this room would benefit from updating, presenting an opportunity for a new owner to create a more contemporary finish.

Externally:

Externally, the property enjoys a hardstanding patio area to the front,

providing a pleasant spot to sit and take in the outlook towards the trees and River Teifi. There is also an allocated off-road parking space for one vehicle. Access to the property is straightforward, with a pathway leading to the entrance and additional side access.

The flat is leasehold, with a new lease being granted offering approximately 125 years. Buyers will appreciate the combination of manageable accommodation, convenient location and the potential to improve and add value through refurbishment.

For those seeking an affordable home close to Cardigan town, a downsizing opportunity, or an investment project in a desirable area of West Wales, this property offers plenty of potential and is well worth viewing.
