Belgravia House Halkin Place

Description

A generously proportioned lateral apartment extending to approximately 1,715 sq ft, situated on the second floor of the highly regarded Belgravia House on Halkin Place.

Beautifully presented throughout, the apartment offers an excellent balance of entertaining and bedroom accommodation. At the heart of the property is an impressive 29-foot reception room, providing a wonderful sense of space and natural light, alongside a separate well-appointed kitchen.

The accommodation comprises four bedrooms and three bathrooms, including en suite facilities to both the principal and second bedrooms. The principal suite is particularly well proportioned, while the additional bedrooms offer excellent flexibility for family, guests or a home office. Ample storage and a well-considered lateral layout further enhance the practicality of the apartment.

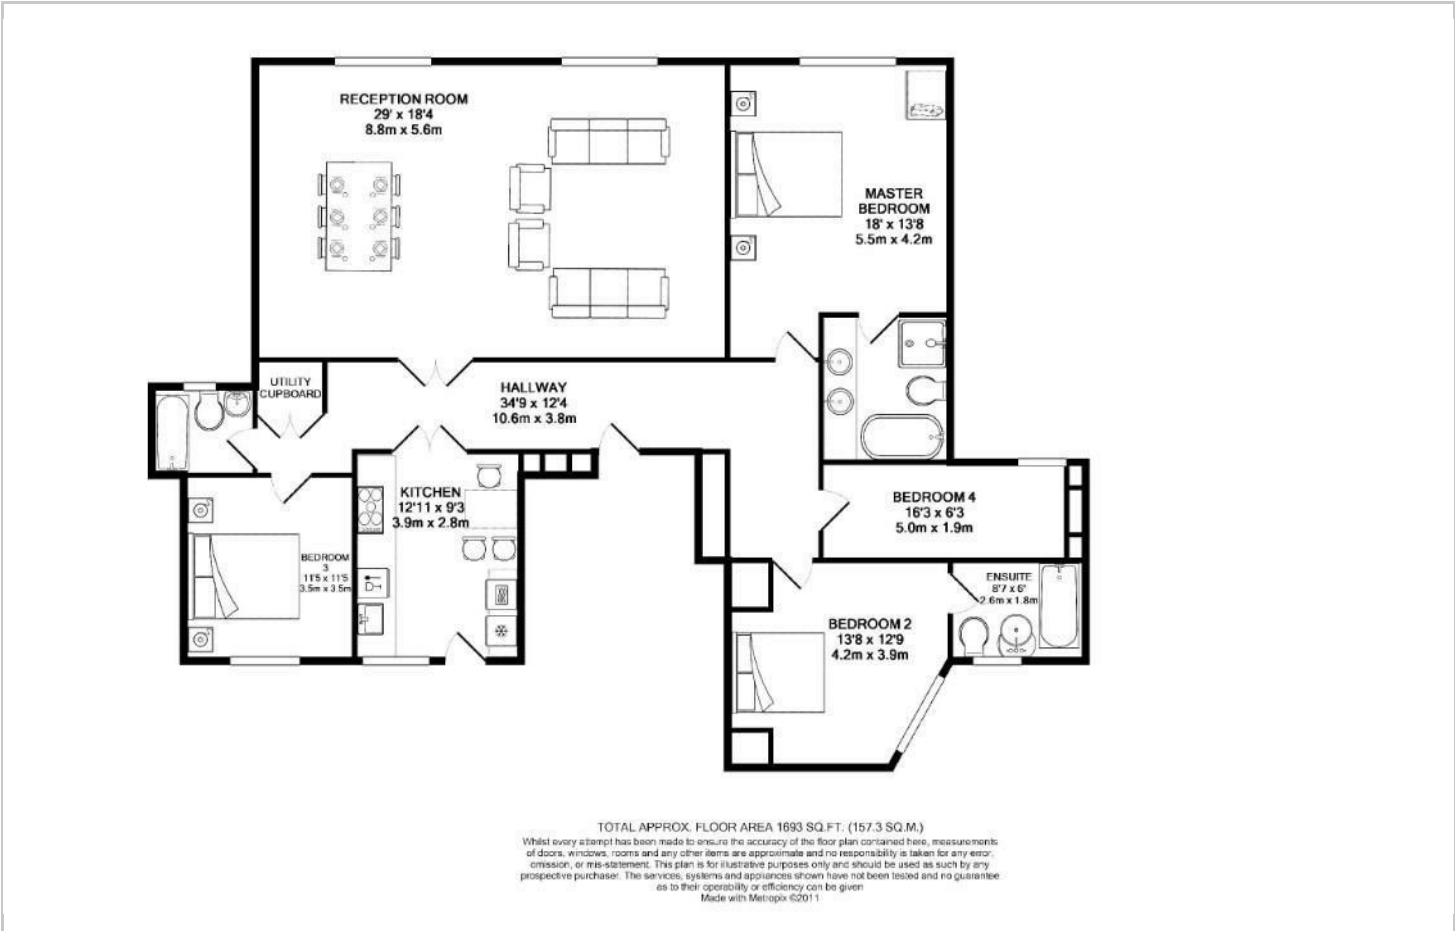

Belgravia House is a well-managed and sought-after portered building, benefiting from lift access and a dedicated porter/concierge, providing both security and convenience for full-time residents or those
