30 Buttermere Road

Gatley SK8 4RH

Asking Price £495,000

This beautifully-presented detached property forms part of a particularly sought-after residential development in Gatley.

The house has benefited from extension to the ground floor and it offers spacious accommodation which will suit the needs of family purchasers in particular. There is the potential for additional extension, if desired, subject to gaining the necessary permissions.

An entrance porch and hallway lead to a spacious living room that enjoys plentiful natural light thanks to the dual aspect. To the rear is a large dining room with doors leading out to the garden. A fitted kitchen and a downstairs WC complete the ground floor.

Upstairs, a wide landing with storage leads to three double bedrooms and a stylish modern shower room/WC.

The property stands behind a garden area with a block-paved driveway providing generous parking space, in addition to an attached garage. The rear garden is most attractive, with seating area, a central lawn and established, well-stocked borders.

Buttermere Road enjoys good access to local amenities, schools and parks. This is a most appealing home which warrants an early internal inspection.
