Tucked discreetly away from one of Cambridge's most distinguished roads lies an exclusive collection of just six newly built residences-each crafted with meticulous attention to detail.

The third floor is entirely dedicated to open-plan living. At its heart is a beautifully designed kitchen by Naked Kitchens, finished with quartz worktops and premium Siemens and Fisher & Paykel appliances-including a flush induction hob, recessed sink, integrated oven, microwave, and dishwasher. A central island offers relaxed seating, while sustainably sourced herringbone timber flooring and underfloor heating create a warm, inviting feel.

Expansive living and dining areas flow seamlessly to a private balcony, overlooking leafy surroundings and designed for both calm and entertaining.

Additional highlights include private driveway parking with EV charging point, secure cycle storage, and energy-efficient underfloor heating powered by an air source heat pump.

Crafted by renowned local developers Bowson Leeway Homes, this development is set to become a modern Cambridge classic.

Quietly confident. Effortlessly elegant. And unmistakably Cambridge.
