Occupying a pleasant position at the end of a quiet cul-de-sac, this extended and remodelled three-bedroom detached bungalow offers spacious, energy-efficient accommodation and is available with the added benefit of no onward chain.

Originally constructed in the 1970s, the property has been thoughtfully enhanced with both a side porch extension and a rear extension, creating a versatile layout that is perfectly suited to modern-day living. The bungalow combines generous living space with the practicality of single-storey accommodation, making it an excellent choice for a wide range of buyers.

The accommodation comprises an entrance porch opening into a welcoming hallway, a fitted kitchen, and a spacious lounge/dining room that provides an ideal setting for both relaxing and entertaining. There are three well-proportioned bedrooms, all offering flexibility for family living, guests or those requiring a home office.

Outside, the property enjoys gardens to both the front and rear, providing pleasant spaces to enjoy throughout the year. A private driveway offers off-road parking, while the inclusion of solar panels helps to improve the property's energy efficiency and reduce day-to-day running costs.

Further benefits include uPVC double glazing, gas-fired central heating, and the significant advantage of being offered for sale with no onward chain, making it an ideal opportunity for buyers looking for a straightforward move.

Properties in this location rarely remain available for long, and an early internal inspection is strongly recommended to fully appreciate the space, location and excellent lifestyle this superb bungalow has to offer.
