Set within an exclusive development of just four homes, this beautifully appointed four-bedroom detached property combines modern efficiency with thoughtful, high-quality upgrades. Built only three years ago, it offers the reassurance of a newer home with a refined, personalised finish.

A welcoming entrance hall immediately sets the tone, showcasing quality finishes including oak veneer internal doors, a striking oak and glass staircase, and luxury LVT flooring with underfloor heating flowing across the ground floor. To the front, the elegant lounge blends classic and contemporary styling with a bay window introducing natural light and character. A bespoke media wall with oak mantle, fitted cabinetry and feature panelling creates a stylish focal point. Spanning the rear of the property, the impressive dining and family space is designed for modern living. Bi-fold doors open onto the garden, creating a light-filled environment ideal for entertaining.

The kitchen is both practical and beautifully appointed, featuring quartz worktops, a breakfast bar and a full range of integrated appliances including double oven, gas hob, extractor and dishwasher.

A separate utility room and cloakroom add further practicality.

Upstairs, the sense of space continues with four well-proportioned double bedrooms. The principal suite enjoys a bay window and a contemporary en-suite shower room, while the remaining bedrooms are served by a stylish family bathroom. LVT flooring continues throughout, reinforcing the home's cohesive finish.

Externally, the landscaped rear garden has been thoughtfully designed for low maintenance, combining composite decking, artificial lawn and stone. Fully enclosed, it provides both privacy and security. A versatile garden room offers flexibility as a home office, gym or additional storage.

The property also benefits from off-road parking for three vehicles and a secure side storage area with electric up-and-over door.
