

# 11 Cautley House, Undercliff Road East, Felixstowe, IP11 7SF

**£360,000 'No Onward Chain'**

Offered for sale with no onward chain and with stunning uninterrupted sea views is this beautifully presented self-contained purpose-built apartment situated on the second floor of the prestigious Bartlett development constructed to a high specification by Messrs Gipping Homes in 2016.

The well planned and beautifully decorated accommodation briefly comprises communal entrance hall with staircase leading to the first and second floors, entrance hall, utility cupboard, open plan lounge/kitchen with integrated appliances and stunning views of the sea, two bedrooms (bedroom one with a southerly aspect and views of the sea) and bathroom fitted with a white contemporary style suite.

The Cautley House development is a Grade II listed building, ideally located in an elevated cliff top position directly overlooking the sea with views towards Bawdsey and Cobbolds Point. The town centre is less than half a mile distant with a variety of restaurants, cafes, independent and national high street stores available.

Further benefits include allocated car parking space, visitors spaces, double glazed windows and gas fired central heating with an energy efficient boiler.

Cautley House forms part of an award winning development by Messrs Gipping Homes which was praised by The Felixstowe Society for 'a sensitive restoration of an iconic building, Cautley House and surrounding new development are extremely sympathetic to the Grade II listed building'. The building originated as the Bath Hotel which suffered in the final major suffragette action before WW1 when Evaline Burkitt and Florence Tunks set fire to the building on 28th April 1914. Since then the property has returned to glory becoming an exceptional landmark building along Felixstowe's beautiful seafront.
