Situated on the historic and characterful Rothschild Road in the heart of the Buckinghamshire village of Wing, this beautifully presented two double bedroom period terraced home has been thoughtfully and tastefully improved by the current owners.

The property effortlessly blends charming original features with stylish modern updates, creating a warm and inviting home that combines period character with contemporary comfort.

The property offers generously proportioned rooms throughout, with accommodation totalling just under 700 square feet, along with a useful loft area providing additional storage.

Entering from the courtyard through the front door, you are welcomed into a bright, warm and comfortable living room with the space offering a versatile layout, perfect for modern living. Leading seamlessly through to the dining room, this generously sized area is ideal for entertaining as is open plan to the kitchen. A clever under-stairs nook provides a handy study desk for home working, while adjacent shelving offers the perfect spot for a bar or coffee station.

Off the dining room, the kitchen has been recently upgraded with contemporary shaker-style wall and base units, complemented by wood-effect work surfaces and a range of integrated appliances. At the far end of the ground floor, the family bathroom has also been recently updated with a modern suite, including a large walk-in shower, a hand wash basin with storage and wall-mounted taps, and a low-level WC. The shower area is further enhanced by striking green subway-effect tiling, fully tiled for a bold and contemporary look.

Stairs rise up to the first floor landing where there are two generously sized double bedrooms, the master having fitted wardrobes. Additionally there is access into the loft space for storage.

To the front, the property enjoys a low-maintenance courtyard garden enclosed by attractive iron railings with a gated entrance. A paved pathway leads to the front door, complemented by a timber bin storage unit, while a convenient side alley provides access through to the rear garden.

To the rear, the property benefits from a private garden enclosed by timber fencing. A paved pathway extends from the back of the house to a seating area
