Set on a popular development, this modern three bedroom link detached family home benefits from a conservatory which offers a variety of uses.

Set back from the road behind a tarmac/ block paved driveway providing ample parking, the property is accessed via a shared private access road and leads to an entrance hall with a useful downstairs WC off and a door to the open plan lounge with windows to the front and side elevations whilst stairs lead off to the first floor. The kitchen is a good size and has ample fitted units with a built in oven and hob, space for a washing machine, window to the rear and double doors lead into the conservatory whilst a door leads to the garage, currently used as a gym and has a roller shutter door as well as a pedestrian door to the garden. The conservatory has ample space for a table or settees and there are windows and double doors to the garden. The deceptively spacious accommodation continues upstairs with three generous bedrooms, the master is an excellent double with fitted wardrobes, over stairs storage platform and a window to the front, the second bedroom is also double in size with windows to the front and rear whilst the third bedroom is a good size single with a window to the rear. The bathroom has a white suite with a shower over the bath with wall tiling and a window to the rear.

Outside the rear garden is a good size and is mainly lawned, there is a patio area, gated side entrance and viewing is essential to fully appreciate this well proportioned double glazed and centrally heated home.
