Detached House

Master with En-suite

Quiet Location

This well-presented four-bedroom plus study detached home, built in 2015 by Persimmon Homes, offers modern living in a generous plot with a desirable south-facing garden. Designed for both comfort and convenience, the property benefits from low utility costs and minimal maintenance—perfect for a stress-free lifestyle. The spacious layout includes an open-plan kitchen and dining area, ideal for family life and entertaining. Enhancing the flexibility of the ground floor, elegant four-leaf wooden bi-fold doors connect the lounge and dining room, allowing the space to be opened up for larger gatherings. The rear garden is a standout feature—private, non-overlooked, and enjoying plenty of sunshine throughout the day thanks to its south-facing aspect, a rare find in newer developments. To the front, a substantial brick-weave driveway provides ample off-road parking for multiple vehicles.
