West Kensington, London, W14

Price Guide: £550,000

A beautifully refurbished top floor apartment set within an attractive Victorian conversion on the ever popular Mornington Avenue, offering bright and well arranged living space throughout.

The property is presented in really good condition, having been thoughtfully updated to create a modern yet comfortable home while still retaining a nice sense of character. The main living area is a spacious open plan kitchen and reception room, measuring over 20 ft in length, which provides excellent space for both relaxing and entertaining, with plenty of natural light coming through.

There are two well proportioned bedrooms, with the principal bedroom offering particularly good space, and a second room which works well as a guest bedroom, study or home office. The layout overall feels practical and well balanced, making good use of the available space.

Further benefits include a share of freehold, which is always a strong advantage, and the fact the property sits on the top floor, giving a sense of privacy and quiet.
