CAMDEN HOUSE

Completed in 2020, Camden House is an exceptional family home that has been meticulously designed, with an extraordinary level of detail evident throughout. Its architectural merit was formally acknowledged in 2021, when it was awarded the UK Property Award for Private Residence South East, celebrating its craftsmanship and creative vision.

The approach to the house is very impressive, with its sweeping driveway, central turning circle which is framed by elegant water feature. Mature specimen trees and carefully curated parkland-style landscaping have established an immediate sense of arrival, providing a fitting introduction to the exceptional quality inside and out. Internally, Camden House is ideally configured for both stylish entertaining and everyday family living.

The striking reception hall sets the tone. At the centre of the home lies the beautifully designed kitchen and breakfast room, a welcoming yet highly practical space. Bespoke cabinetry sits alongside a substantial central island with informal seating, complemented by fully integrated appliances. French doors from the breakfast/dining area lead onto the terrace, making it perfect for entertaining. Adjoining the kitchen is a spacious utility room providing extensive storage, a larder and direct access to the integral garage and garden.

The generous reception rooms are flooded with natural light, with expansive windows and doors opening directly onto the rear terrace. The drawing room and family room both enjoy dual aspects and striking fireplaces, while the formal dining room offers a more intimate environment with views across the front gardens. The west wing of the house offers an excellent entertaining space incorporating a fully equipped bar and seating area, which flows seamlessly into a fully high tech cinema room.

From the impressive reception hall, an elegant staircase rises to the first floor. The principal suite forms a luxurious private space, featuring a vaulted apex window with doors opening onto a secluded balcony, a wood-burning stove, a beautifully appointed en suite bathroom, and a fully fitted dressing room. Two further bedrooms, benefit from en suite bathrooms, walk-in wardrobes, one also enjoying its own balcony overlooking the rear gardens. Three additional bedrooms, two with en suite showers and built-in wardrobes, along with a dedicated laundry room, complete the upstairs accommodation.

GARDENS & GROUNDS

Surrounded by beautifully landscaped gardens and grounds, extending to approximately 3.95 acres provides excellent privacy and seclusion. Across the rear of the property, a wide paved terrace extends the full width of the house, edged with established flower beds and giving way to an expansive lawn. Beyond, the grounds transition naturally into private woodland, providing a remarkable sense of privacy and openness. Several discreet outbuildings are positioned throughout the land, including a workshop, dedicated home office, tractor store, log store and gardener's WC.

Additionally, there is a ground floor, one bedroom suite, accessed off the rear patio area offers excellent flexibility for guests or multigenerational living. Previously approved planning permission for a single-storey extension to the rear, would allow you to add an indoor leisure complex including a indoor swimming, gym and spa. Subject to renewal, this offers further potential to enhance the property further. Additionally the house benefits from fibre optic broadband which is incredibly fast for internet speed, streaming and the day to day running of the house.
