Original features blend seamlessly with a refined modern finish, and the heart of the property is without doubt the superb bespoke kitchen on the lower ground level. Hand-built cabinetry, granite worktops, a generous island with integrated refrigeration and a Falcon range combine to create a wonderful space for cooking, dining and everyday living. Three further reception areas provide excellent flexibility, while a private walled courtyard to the rear offers secure off-road parking for two cars via a powered shutter. Presented in excellent order throughout, this is a rare opportunity in a highly desirable central Douglas setting.

The upper floors provide four well-balanced bedrooms and three beautifully finished bath and shower rooms. The second floor hosts a superb full-width master bedroom with twin sash windows, built-in wardrobes and a period fireplace, complemented by an elegant en-suite with a double-ended tub and rain shower. A further double bedroom sits to the rear on this level. The first floor offers another generous bedroom with its own en-suite shower room, while the refined drawing room opens onto a Juliet balcony overlooking Derby Square and capturing the evening sun. The top floor features a spacious fourth bedroom with Velux windows and excellent eaves storage, accompanied by a bright family bathroom with exposed beams and contemporary fittings. Each storey has been carefully designed to maximise natural light, comfort and versatility, completing a thoughtfully planned and beautifully executed home.
