Barmouth and its Surrounds

Barmouth is known as the town where 'the Mountains meet the Sea' but offers much more than that. It is a thriving seaside town with breathtaking views on the north west coast of Wales looking out onto Cardigan Bay on the edge of the Snowdonia National Park. There is a bustling town centre with a range of shops and supermarkets and great places to eat and relax.

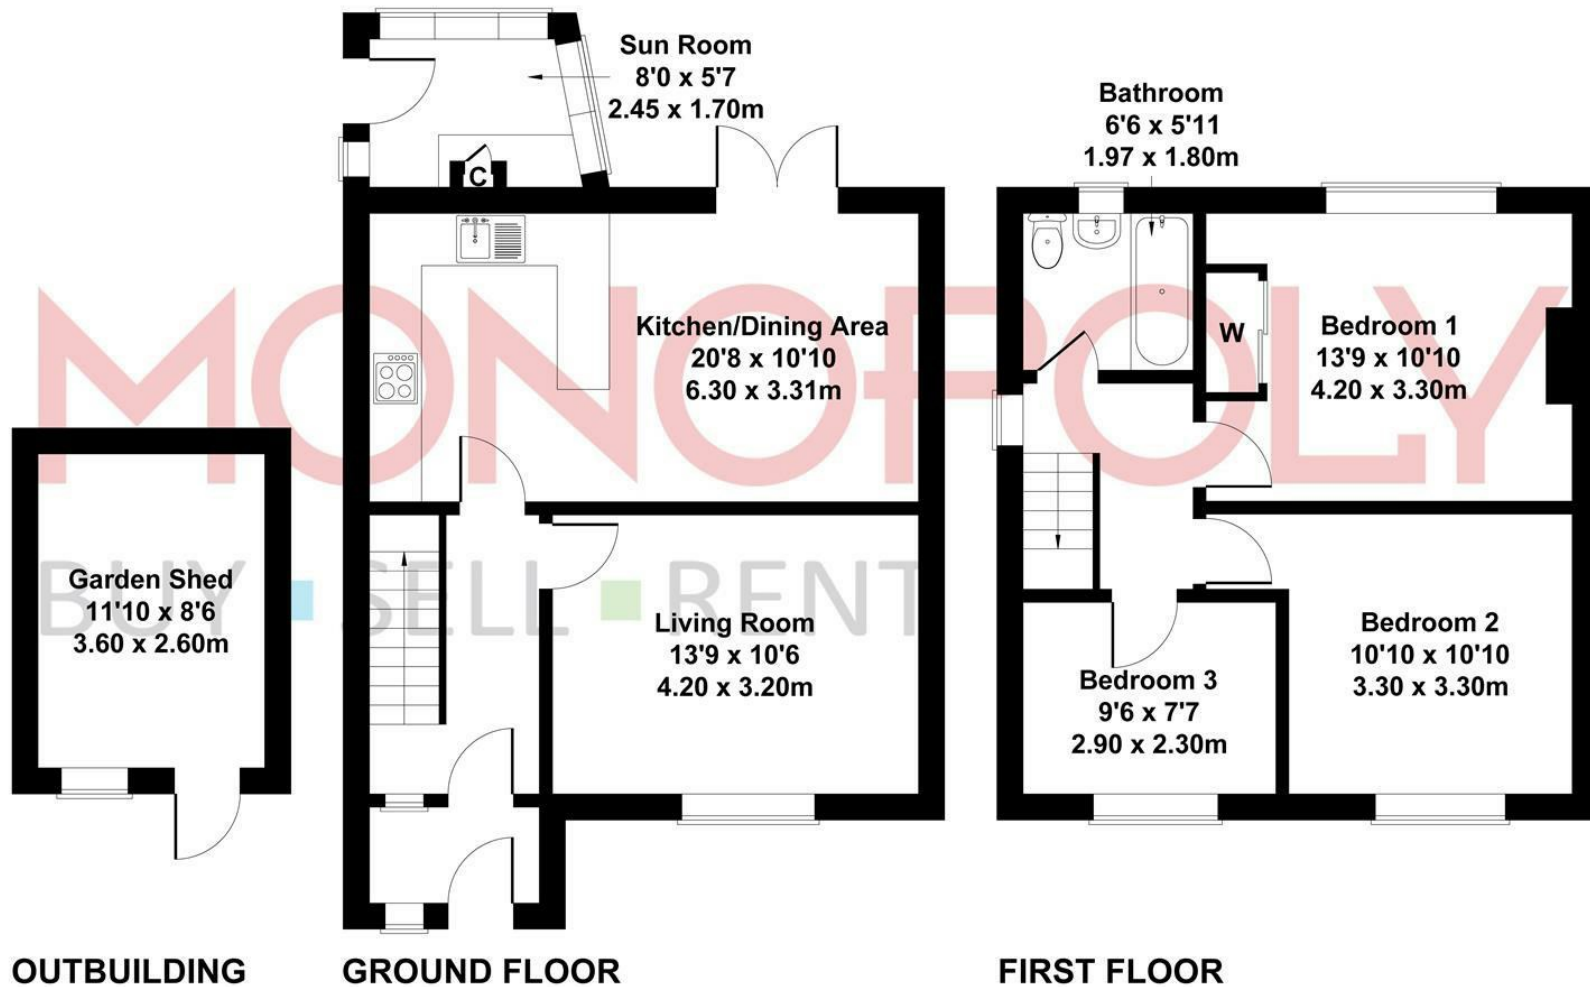

For lovers of the outdoors it offers walking, cycling, paddle-boarding, kayaking, and of course swimming in the sea from the beautiful golden sand beach. The train station in the middle of the town provides easy links up and down the coastal line or regular trains directly through to Birmingham and beyond.
