SITUATION & AMENITIES

In terms of location, the property enjoys the best of all worlds, being situated on the semi-rural outskirts of Barnstaple, within walking distance of open countryside, a healthy walking distance of the town centre, railway station, schools etc. As the regional centre, Barnstaple offers the area's main business, commercial, leisure and shopping venues, as well as live theatre and district hospital. From Barnstaple the North Devon Link Road (A361) leads on in about 45 minutes to Jct.27 of the M5 Motorway, and where Tiverton Parkway offers a fast service of trains to London Paddington in just over 2 hours. Less than half an hour by car are North Devon's famous coastal resorts at Croyde Bay, Putsborough, Saunton Sands (also with Championship Golf Course), Woolacombe and in the opposite direction Instow and Westward Ho! The area is well served by excellent state and private schools, including West Buckland school, Kingsley at Bideford and Blundell's at Tiverton. The local state college is within walking distance. Sticklepath Court comes under the Tawstock postcode, which is a small, pretty village with a collection of period properties and thatched primary school. The nearest international airports are at Bristol and Exeter.

DESCRIPTION

This quirky, unusual semi-detached barn conversion presents elevations of stone beneath a slate roof. We understand that Sticklepath Court generally was converted from a courtyard of former farm buildings about 40 years ago. No.2 offers deceptively generous and versatile accommodation, arranged over two storeys. This includes: on the Ground Floor – Hall, Cloakroom, Sitting/Dining Room, Kitchen/Breakfast Room, and on the First Floor – Landing, Main Bedroom with shower cubicle, dressing area, 2nd Bedroom, Office/Bedroom 3, 2nd Sitting Room, Conservatory and Bathroom. Externally, there is a double garage en-bloc, additional parking, former stable converted to outside Kitchen/Utility Room and well-established and secluded gardens. This is certainly a property which needs to be viewed internally to be fully appreciated.

To the right of the dwelling is a pair of wooden gates (we understand that a neighbour also enjoys right of way through these gates, but the gates and the drive are owned by No.2). To the left of this is a private TERRACE and this leads to a former stable block, where there is an attached secondary KITCHEN/UTILITY ROOM with excellent range of wooden kitchen units with rolled edge work surfaces, matching wall cupboards, tiled flooring, exposed beams, plumbing for washing machine, space for tumble dryer. To the right of the aforementioned terrace is a STORE for wheelie bins, and to the left of the secondary kitchen is an enclosed area – currently utilised for storing logs. There is a timber GARDEN SHED, GREENHOUSE, a separately fenced-off KITCHEN GARDEN and a mature horse chestnut tree, which provides shade. The whole is fence and hedge enclosed, providing a good deal of seclusion and privacy. Directly opposite the cottage at the front is a GARAGE BLOCK.
