## SITUATION & AMENITIES

Torbrook House is situated in one of North Devon's most prestigious coastal communities, enjoying direct views over the River Torridge and across the estuary towards open countryside in the distance. The property enjoys wonderful sunsets, as well as the early morning sunlight reflecting off the pretty former fishing cottages in Appledore, which sits on the opposite side of the estuary. Instow is highly desirable with an excellent range of amenities and leisure pursuits. The beautiful sandy beach and North Devon Yacht Club are within 5 minutes' walk, where boats can be launched and moorings are understood to be available. Popular amenities include John's of Instow, which combines a delicatessen, convenience store, Post Office and café under one roof, the Commodore Hotel & Restaurant, which is open to non-residents, and a variety of pubs and restaurants including The Instow Arms and The Boat House, which is an award-winning sea food restaurant. The nearby Tarka Trail is a former railway line route which runs from Braunton to Meeth, covering about 30 miles with a series of connecting footpaths, bridleways and cycle paths which pass through some of North Devon's most beautiful scenery. There is also a good range of transport opportunities via regular bus routes and the ferry to Appledore across the estuary. The port and market town of Bideford is 3.5 miles and offers a wider range of amenities. The regional centre of Barnstaple is 6.5 miles and offers the area's main business, commercial, leisure and shopping venues, as well as live theatre and district hospital. From Barnstaple there is access to the North Devon Link Road, which leads through to Jct.27 of the M5 Motorway in about 45 minutes. There is also access there to Tiverton Parkway where London can be reached in just over 2 hours. North Devon's famous surfing beaches at Croyde, Saunton (also with Championship Golf Course) and Putsborough are about 40 minutes by car, as is Exmoor National Park. The area is well-served by excellent state and private schools including Kingsley Private School at Bideford and West Buckland Private School, with local pick-up points. The nearest international airports are at Bristol and Exeter. A particular attraction of living at Torbrook House is that the beach and local facilities are close at hand, yet one can retreat to the property, which is situated off a quiet country lane, also within easy access of open countryside.

## DESCRIPTION

Torbrook House is quite simply a unique and special property, often sought but seldom found. Built to take full advantage of the superb South-facing views, the property was originally constructed in 1992 and presents elevations of brick with double glazed doors and windows, beneath a tiled roof. From the lane the property resembles a bungalow at the front, but upon entering the house, one appreciates the bright, spacious and versatile accommodation, which covers over 3250 sq. ft. The current vendors have owned Torbrook House for approximately 5 years and during that time has tastefully modernised the property to a high standard, including new kitchen, new bathrooms, upgraded the central heating system, and installed new flooring and floor coverings. A particular highlight is the redecoration of the entire property, with use of colour and flair throughout. The reception areas are arranged in distinct zones but are generally open-plan with numerous doors which open to bring the outside in, leading on to the fantastic sun terrace/balcony – ideal for entertaining, leisure and sun worship. There is an attached double garage which offers potential for conversion to further accommodation subject to any necessary planning permission. The vendor has also considered applying for planning consent to add an additional 3rd storey or extensive roof terrace (stpp), from which the views could be even more spectacular. Torbrook House is one of those properties which really does need to be viewed internally to be fully appreciated.
