STEPHENSON BROWNE

DESCRIPTION

Offered to the market with no onward chain, this exceptional detached residence is situated within an exclusive and highly sought-after development just off prestigious Black Firs Lane. Constructed by Bellway Homes back in 2024 this property offers beautifully appointed accommodation throughout alongside substantial upgrades. Occupying a generous plot, the property enjoys an extensive driveway, detached double garage and attractive landscaped gardens, all within one of Congleton's most desirable residential locations.

Designed with modern family living in mind, the accommodation is both elegant and practical. A welcoming reception hall leads to two versatile reception rooms, ideal for formal entertaining, a home office or playroom. At the heart of the home is a superb open-plan dining kitchen, thoughtfully designed for everyday living and social occasions alike, with doors opening directly onto the rear garden. A separate utility room and guest cloakroom complete the ground floor.

To the first floor, all four bedrooms are well-proportioned doubles, providing excellent space for family and guests. The principal suite benefits from a luxurious en suite shower room and a dedicated dressing room, creating a private retreat of impressive quality.

Externally, the property continues to impress. To the rear, a generous lawned garden provides a wonderful blank canvas for buyers looking to create their own outdoor sanctuary. The substantial plot offers ample room for a summer house, garden studio or storage shed, whilst convenient side access leads to the front of the property. The gardens are perfectly suited to both family enjoyment and outdoor entertaining. The front of the property provides a generous sized driveway with ample off road parking leading to the detached double garage, also supplying an EV charging point.

The property's location combines the tranquility of its semi-rural surroundings with exceptional convenience. Glorious countryside walks are moments away, whilst the Congleton Link Road, A34 and M6 motorway network provide excellent connectivity for commuters. A wide range of amenities, together with highly regarded primary and secondary schools, are also within easy reach.

A stylish and energy-efficient contemporary home of considerable quality, offered to the market with no onward chain and ready for immediate occupation. Viewing is highly recommended.
