This three bedroom semi detached home is located in a popular part of the town and enjoys accommodation comprising an entrance hall leading into a good size lounge with stairs to the first floor and there is a sizeable, fitted kitchen with door to the garden. On the first floor there are three generous sized bedrooms with the main bedroom being especially large and having French doors opening onto the first tier of the garden and there is a family bathroom as well as a space saver ladder which rises to a really handy loft room. Gas central heating and double glazing.

Externally to front is a private drive providing parking for two/three vehicles and there is a door into a large single garage which has currently been partitioned into separate areas. At the rear there is a fully enclosed garden that is set over three levels with steps leading up to private seating area, mature shrubs and borders and further steps to an additional elevated patio area and shed/workshop. The rear boundary adjoins the Midsomer Norton Greenway, with mature trees and a far reaching view.

Wheelers Road is approx. one mile in distance from both Midsomer Norton and Radstock and adjoins the cycle path (national cycle network) and therefore provides a great dog walking and cycling facility, this also leads to the newly formed Midsomer Town Park.
