Single dwelling (opportunity for conversion): Guide Price £250,000

Sutton Court and the single dwelling: Guide Price £800,000

ONE DEVELOPMENT OR DIVISION IS POSSIBLE

The property can be purchased as one. As an alternative, the house at the rear can be acquired separately, but only if bought simultaneously with the sale of Sutton Court.

METHOD OF SALE

Planning

The separate house is an ideal opportunity for a first or second home. This will require some renovation work to provide a 2-bedroom home with two reception rooms.

The consented conversion of Sutton Court will provide two self-contained flats on the Ground Floor.

The First Floor is already a high-quality flat with two bedrooms. The Top Floor would provide one flat with consent for extension so could be a one or two bedroom home.

Plans are attached showing the extent of the consent for conversion and development. The location plan shows the consented site edged in red. It should be noted that as the plans emerge on the land to the South, there may be some variation to boundaries and parking arrangements which will be fully discussed with the purchaser. Indeed, the vendors are open to discussions on the future of the additional area. Planning applications
