Rarely available to the rental market is this older detached house which has previously undergone a programme of improvements and refurbishment throughout. Hidden away from the road behind mature, tree lined hedges, the property sits on a steep generous plot with a large, slightly elevated rear garden and driveway parking to the front. The internal accommodation offers an entrance hallway with access to the lounge, a large open planned dining area and modern fitted kitchen, and to the rear, a downstairs shower room. To the first floor are three bedrooms, two doubles and a good sized third bedroom, and a modern fitted bathroom suite. The property benefits from a double garage with storage above and a workshop behind. Available from the mid/end of October, to arrange a viewing of this superb property, please contact a member of our lettings department.
