DESCRIPTION

Halls are delighted with instructions to offer this beautifully situated small residential development of only 6 properties for sale by private treaty. The homes have been carefully designed to blend in with nearby existing dwellings and offer a choice of three and four bedroom properties, including bungalows.

Plot 4 is a large four bedroomed detached house with a spacious driveway, double garage and gardens, situated in the most delightful rural community of Bwlch Y Cibau.

This large and well-proportioned home would be ideal for a growing family, those who work from home or anyone seeking a comfortable retirement with ample room for the family to visit. The architect designed internal accommodation will provide, on the ground floor, a lounge, open plan kitchen/ dining room, utility room, generous study and a cloakroom, together with 4 first floor double bedrooms (2 with ensuite) and a family bathroom.

Outside, the property will be complemented by a south facing rear garden, a spacious driveway and a double garage.

All new Primesave homes are traditionally built incorporating the latest high-performance insulation to the floors, walls, windows and roof. Solar panels are included as standard together with an EV charging point. For your safety, there are mains powered smoke alarms and a fire suppression sprinkler system. The property will further benefit from double glazed windows and doors throughout, low maintenance uPVC window frames and soffit boards, and will be presented for sale with the benefit of a 10 year structural guarantee.

The sale of Plot 4 Poppy Field does, therefore, provide an extremely rare opportunity for purchasers to acquire a newly constructed property which will be completed to a high standard situated in a desirable, small and select development.

The property should be available for occupation from Summer 2026 and we are able to accept early reservations of interest immediately.
