Blending stylish modern living with a warm, rustic aesthetic, the property thoughtfully pays homage to its Victorian heritage while offering practical, contemporary living..

Set behind mature trees, hedging, and a gravelled front garden, the home is approached via a traditional hall entrance. The cosy sitting room features a charming wood-burning stove.

To the rear, the hallway opens into a stunning deep green kitchen/dining room, newly installed in 2023 with French doors providing direct access to the garden. A rear lobby and spacious WC complete the ground floor accommodation.

The first floor benefits from the additional width of the over-the-passage design, offering three well-proportioned double bedrooms, all featuring original flooring. The beautifully designed family bathroom includes a freestanding clawfoot bath with overhead rainfall shower.

A further staircase leads to the converted attic room on the second floor, currently used as a bedroom by the owners, providing flexible additional accommodation.
