Beautifully Renovated One-Bedroom Ground Floor Apartment with Private Garden, Residents' Parking & Walk-In Dressing Room

A beautifully presented and extensively improved one-bedroom ground floor apartment, offering contemporary accommodation together with a particularly impressive private rear garden of approximately 49m², residents' parking and a separate walk-in dressing room.

The property has been substantially modernised by the current owner and is presented in excellent condition throughout, making it an ideal choice for first-time buyers, downsizers or those looking for a stylish, low-maintenance home with the added benefit of its own generous outdoor space.

Entering the property, the hallway immediately sets the tone for the accommodation, having been upgraded with new tiled flooring, a suspended ceiling and recessed LED spotlights, creating a clean and modern first impression.

The living room is bright and well presented, featuring warm engineered wooden flooring and contemporary décor. There is ample space for both sitting and dining areas, while French doors provide direct access onto the rear garden, allowing the living accommodation to flow naturally into the outside space.

One of the standout features of the property is the private rear garden, which extends to approximately 49m² and is unusually generous for an apartment. The current owner has created an excellent outdoor entertaining area with a substantial decked patio, remote-controlled LED lighting, a gazebo and external storage shed. Beyond the decking is a lawned section enclosed by recently installed fencing. Completing the accommodation is the contemporary bathroom, which has been providing a private and versatile space for entertaining, relaxing and outdoor dining, comprehensively modernised and features marble-effect tiling, a wall-mounted vanity unit and a whirlpool-style bath.

The kitchen has also been comprehensively modernised and is fitted with a range of contemporary units complemented by new worktops, flooring and splashbacks. Further improvements include updated electrics together with a Redox water filtration system and dedicated drinking-water tap, while the kitchen provides a practical and well-arranged space for everyday use.

The double bedroom is another particularly well-finished room, featuring an acoustic wood-slat feature wall with integrated LED lighting, giving the room a contemporary and distinctive finish.

Adjacent to the bedroom is a separate walk-in dressing room, which has been custom-designed with fitted shelving and hanging rails. This provides excellent additional storage while allowing the main bedroom itself to remain uncluttered.

Completing the accommodation is the bathroom, which has undergone a full renovation and is finished with porcelain wall and floor tiling. The suite incorporates a whirlpool bath, WC, wash basin with vanity storage and modern fittings, alongside upgraded plumbing and a contemporary finish throughout.

Externally, the property also benefits from residents' parking.

The apartment has been extensively improved during the current owner's occupation, including upgrades to flooring, internal doors, radiators, lighting and finishes throughout. An optional furniture and contents package may also be available by separate negotiation.

The property is understood to have approximately 99 years remaining on the lease,
