Offered to the market with no upward chain, this impressive four bedroom detached home has been extensively renovated and extended to a high standard, creating a beautifully finished and highly versatile family home. Combining character with contemporary design, the property offers thoughtfully planned accommodation with excellent living and entertaining space.

The accommodation begins with a welcoming entrance hall, filled with natural light from a skylight and overlooking the staircase and balcony-style landing. To the right is a cosy snug with bay window, alongside a further reception room which could also be used as a fourth bedroom, again benefiting from a bay window. A modern cloakroom with walk-in shower completes this area.

At the heart of the home is the impressive open-plan living kitchen diner, finished to a high standard and designed as a fantastic social space. The living area features a media wall, while the kitchen and dining areas open onto the garden through bifold doors spanning much of the rear elevation. A separate utility room adds further practicality.

Upstairs, there are three generous double bedrooms, all benefiting from high vaulted ceilings and skylights, creating a wonderful sense of space and natural light. The main bedroom features a dedicated dressing area and beautiful ensuite shower room, while the remaining bedrooms are served by a stunning family bathroom with freestanding bath, walk-in shower and skylight.

Externally, the property benefits from a low-maintenance rear garden which wraps around the side and provides access to the garage. To the rear, there is a private driveway providing parking for two vehicles.
