Skyline Plaza is perfectly located on the outskirts of Southend City Centre. The block itself offers well kept internal hallways and lift access to all floors. Internally the property is of a wonderful size and has been presented in fantastic condition throughout. The main living accommodation spans 34' in width and offers a large bedroom area, with concertina doors allowing the area to be separated from the main living space. A kitchen sits to the other end of the home, as does a well presented three-piece bathroom. This unique home boasts a long lease and reasonable yearly charges. An internal viewing comes highly recommended.
