Churchill Estates are pleased to introduce this attractive three bedroom period home ideally situated in the sought-after Aldersbrook Conservation Area. Presented in excellent condition the property combines traditional character with a range of recent improvements providing spacious and versatile accommodation suited to modern family living.

The welcoming entrance hall opens into a generous front reception room where a large bay window allows plenty of daylight to flood the space. To the rear, the second reception room offers considerable flexibility and could comfortably serve as a dining room, family room or additional living area.

The recently installed kitchen has been finished in a contemporary style and includes a good selection of wall and base units, generous preparation surfaces and integrated appliances. A new boiler has also been installed providing dependable and efficient heating. A convenient downstairs WC completes the ground floor.

The rear garden is a notable feature of the property. An initial paved terrace creates an ideal area for al fresco dining, while beyond this is a substantial lawn enclosed by established trees. The garden offers a pleasant degree of privacy and provides plenty of room for children to play, keen gardeners to enjoy or owners simply to unwind outdoors.

Upstairs, there are two well sized double bedrooms together with a third single bedroom. The smaller room would make an ideal nursery, child's bedroom, study or home office. A newly fitted family bathroom completes the first floor featuring a modern three piece suite and contemporary fittings.

Throughout the house the accommodation has been freshly decorated and benefits from new carpets and flooring giving the interiors a clean and modern finish. Additional features include certified electrical installations, double glazing, gas central heating, off-street parking and a useful cellar offering valuable storage space.

Clavering Road forms part of the popular Aldersbrook Estate an area particularly appreciated for its leafy, residential character, community feel and access to a range of green spaces.

Families will benefit from the property's location within the catchment area for Aldersbrook Primary School which is approximately 0.5 miles away. Wanstead Park, Wanstead Flats and Epping Forest are also close by providing extensive opportunities for walking, cycling, outdoor activities and recreation.
