9 William Street is a lovely three-bedroom house in a great location, just off the bottom of the high street and a few minutes from the Bangor pier. This house benefits from a comfy living room that is located right next to the kitchen. The Kitchen comes with a washing machine, fridge freezer and oven. Each bedroom comes with a bed, desk, chair, wardrobe and chest of drawers. This property benefits from a rear yard, which is great for summer BBQ's. Another great feature of this property is how close it is to shops, supermarkets and other local amenities.
