Freehold

An individual detached family home with exceptional potential in a fabulous setting at the end of a private road.

Tucked away in a peaceful and private setting, yet just moments from excellent local amenities, this substantial detached home offers the perfect balance of seclusion and convenience with the fantastic village facilities close at hand. Built in 1969 and now available on the open market for the very first time, this is a rare opportunity to acquire a well-positioned and unspoiled property with outstanding potential.

Set within a generous plot approaching 0.5 of an acre with a large, mature garden, the house provides a spacious and flexible layout that would benefit from modernisation but offers tremendous scope to update, improve, or extend (subject to necessary permissions). Whether you're looking to create a stylish contemporary home or preserve some of the original 1960's features, the possibilities are endless. The current accommodation includes 4 double bedrooms (one en-suite), two shower rooms, a hall with original woodblock floor, study, wet room, an expansive triple-aspect lounge/diner, dining/family room, a large kitchen and utility/boot room.

The property sits on the southern edge of the village, close to the protected Abbey fishponds land and church grounds. With no immediate homes in the vicinity, the house enjoys a unique feeling of space and seclusion and also has delightful first-floor views towards Wytham woods.

Located in a highly sought-after village with easy access to schools, shops, parks, and transport links, this is an exciting opportunity to create a dream home in this popular West Oxfordshire village, some 6 miles outside Oxford.

Early viewing is strongly recommended.
