### WHY SHOULD YOU LIVE HERE?

What our vendor says about their property:

"Our development, which has been established for 8 years, is a friendly, quiet and pleasant place to live.

The front of the property benefits from facing directly onto open greenspace. To the rear, a mature treeline provides a natural backdrop to the private garden which is not overlooked by other houses.

The entire plot both inside and out, feels very spacious and nobody parks in the vicinity as we are positioned at a road junction.

We're well placed to easily access local bus, rail and motorway networks.

We have miles of river walks and cycling routes nearby, following the Castleford Greenway and Trans Pennine Trail."

### SOLAR PANELS OWNED

The property benefits from a system of solar panels which we are advised are owned outright and not subject to a lease agreement.

The council tax band for this property is D.
