woodlands

Tucked away in a peaceful cul-de-sac just moments from Littlehaven railway station, this significantly improved and extended two bedroom bungalow offers an impressive amount of space, beautifully combining comfortable single-storey living with a wonderfully convenient location. With direct rail services towards Gatwick and London close at hand, it is an excellent choice for commuters, downsizers or anyone looking for a quieter setting without sacrificing connectivity. Horsham's bustling and historic town centre is also within easy reach, offering an excellent selection of shops, bars and restaurants alongside attractive parks and green spaces, helping to make this one of the area's most desirable places to call home.

The property occupies an attractive, well-maintained plot and is approached via a generous driveway providing off-road parking for up to three vehicles. This leads to the attached garage, which benefits from an electric door for added convenience. Accessed from the side, the front door opens into a bright and welcoming entrance hall, complete with useful built-in storage cupboards.

Both bedrooms are positioned towards the front of the bungalow, with the principal bedroom being particularly spacious. Formerly the living room, this is now a superbly proportioned double bedroom with plenty of room for freestanding furniture. The second bedroom is also a versatile space and would comfortably work as a generous single or smaller double bedroom.

One of the real highlights of the home is the amount of living and entertaining space that has been created. The generous living room enjoys a characterful part-vaulted ceiling, giving the room a wonderful feeling of space, while attractive doors open directly onto the rear garden and allow plenty of natural light to flood in.

Equally impressive is the modern kitchen/dining room, which provides a fantastic sociable space for everyday living, cooking and entertaining. Generously proportioned and finished with practical LVT flooring, the kitchen incorporates a range of built-in appliances including a slimline dishwasher, integrated oven and hob, and an under-counter fridge freezer. There is excellent space for a dining table, making this a room that can truly become the heart of the home.

Leading directly from the dining area is a small but beautifully presented conservatory, creating another lovely spot from which to sit back and enjoy views across the garden. Outside, the private rear garden has been designed to be attractive yet relatively easy to maintain, with a well-kept lawn complemented by sandstone patio areas providing ideal spaces for outdoor dining, entertaining or simply relaxing.

With its peaceful cul-de-sac position, generous extended accommodation, excellent parking and garage, private garden and superb proximity to Littlehaven station, this is a wonderfully versatile bungalow in a location that offers the best of both convenience and tranquillity.
