Situated in the sought-after village of Uffington, this spacious three-bedroom detached family home offers an excellent amount of ground floor accommodation, a generous rear garden, off-road parking, and a single garage.

Upon entering the home, you are welcomed by an entrance hall providing access to the ground floor reception rooms and stairs rising to the first-floor landing. The first door on the left leads into a separate reception room, which has previously been used as a fourth bedroom. Opposite, you will find the living room, featuring a large front-aspect window that fills the space with natural light.

To the rear of the property, there is a separate kitchen and dining room, with patio doors opening out to the garden — ideal for both everyday living and entertaining. The ground floor is completed by a large utility room with rear access and a downstairs WC.

The first floor offers three generous bedrooms, alongside a separate three-piece family bathroom.

To the front of the property is a lovely private green space, with an inset footpath leading to the front door. The rear garden is mainly laid to lawn and benefits from a separate patio area with an awning. A detached garage is located to the rear, featuring a separate personal door, and there are also two off-road parking spaces.
