40 Hyde Road

Upper Stratton, Swindon

Situated in a well-established residential area of **Upper Stratton, Swindon**, this exceptionally well-presented **two-bedroom mid-terrace home** has been renovated throughout to a high standard, offering stylish modern living while retaining period character.

The ground floor features a spacious open-plan living and dining room with exposed wooden flooring, recessed lighting and a feature wood-burning stove. To the rear, a modern fitted kitchen boasts shaker-style units, solid wood worktops, integrated appliances and metro-tile splash backs.

Upstairs are two well-proportioned bedrooms and a contemporary four-piece family bathroom, including a bath and separate walk-in shower. The property also benefits from a **large attic space**, ideal for future conversions if needed.

Externally, the property offers access through the rear door into a traditional coalman's alley, a feature that is now increasingly rare and highly practical. This area now provides discreet access, convenient bin storage, and general rear entry without the need to pass through the main house. It leads to a private and beautifully enclosed rear garden, along with the added benefit of off-road parking.
