PROPERTY DETAILS

Set in the heart of the beautiful village of Grassington and ideally located just a stone's throw away from the picturesque square, this individual stone built, through terraced, character cottage offers spacious and extremely well presented two double bedroom accommodation. The property also has the great advantage of two ground floor reception rooms and on street parking right outside.

Offered for sale with no upper chain this superbly appointed, fully refurbished cottage represents an ideal opportunity for those searching for an easy to manage, low maintenance 'lock-up and leave' or permanent home within this much sought after location, surrounded by the Dales countryside to explore directly from the doorstep.

Equipped with mains gas central heating together with sealed unit double glazing the accommodation comprises briefly:

An entrance vestibule, dining room through to a living room with impressive multi fuel stove set in a stylish surround, an L-shaped kitchen with range of stylish modern fitted oak units, two spacious and well planned first floor double bedrooms and a most impressive shower room. Externally there is a small cobbled area to the front providing allocated space for on street parking whilst to the rear there is a right of access over a courtyard leading to a useful stone out-house with ample space for bikes and/or logs and coal.

Surrounded by the beautiful open countryside of the Yorkshire Dales National Park, adjacent to the River Wharfe, the highly regarded town of Grassington is well served by a comprehensive range of amenities including a post office, a convenience store, a medical centre with dentist, a hardware shop, a range of other everyday shops and a great choice of venues to eat and drink. There is excellent schooling for all ages and a good local bus service, all set in an area renowned for its stunning scenery, providing the perfect landscape for a multitude of outdoor pursuits.

The historic market town of Skipton known as the 'Gateway to the Dales' is only circa nine miles away to the south, offering more extensive shopping and recreational facilities together with a railway station providing regular services into Leeds, Bradford and beyond.

Strongly recommended for inspection, the centrally heated and double glazed accommodation comprises in further detail:
