Description

The part-glazed wooden entrance door takes you into the reception hall with stairs ascending to the first floor having storage beneath and doors leading into the cloakroom. The living room has a double casement front-facing window, a view of the front garden and a marble feature fireplace. To the rear of the house, you will find the kitchen and dining area briefly comprising window and French doors to the rear garden, work surfaces, under-counter and eye-level storage units, floor-to-ceiling storage space, with integral shelving and sliding door system. An inset four-ring gas hob, with an electric oven beneath and extractor over and an integrated Potterton Gas Boiler for hot-water and central heating.

The landing area offers an airing cupboard, access to loft space with a pull-down ladder. The two double bedrooms with front and rear aspect windows also have built-in double wardrobes. The third bedroom offers that important flexibility, making it an ideal home office or study. The bathroom has a contemporary white three-piece suite.

The rear garden is mainly laid to lawn, with a mix of planted beds, and is enclosed by high-level wooden fence panelling. The side garden, with a mix of planting, is accessed from the rear garden. The solid rear gate leads from the side-garden out to the private driveway directly in front of the owner's brick-built garage which has power and light connected, and storage overhead.

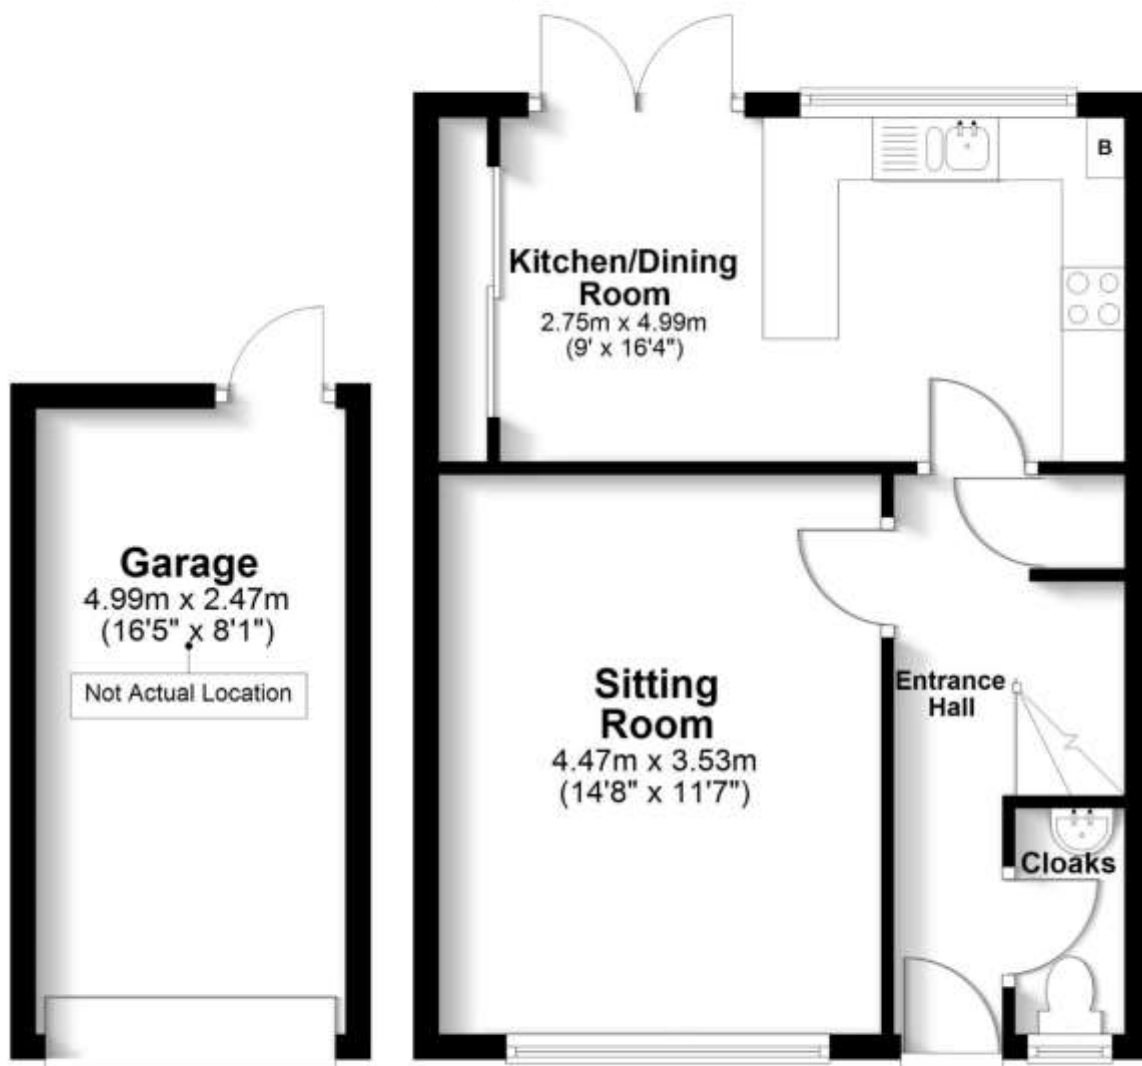

Benefitting from no onward chain, our seller is offering the property for sale with vacant possession, making this 'move-in-ready' three-bedroomed family home ready to welcome its new owners.
