Introducing

This beautifully presented garden apartment lies within proximity to Clapham Common and Battersea Park, and is less than a 10 minute walk to Clapham Junction Station and the lively Northcote Road. Boasting its own private entrance and enclosed, landscaped garden area, the remaining accommodation offers a great double bedroom with fitted wardrobes, a contemporary shower room (large shower and floor to ceiling double wardrobes) and a bright open plan living, including two lovely reception areas and a modern fitted kitchen (fitted in 2024).

Further benefits include a share of the freehold, a 995-year remaining lease, on street permit parking, double glazing, central heating (new boiler in 2023) and bi-fold doors from the dining area onto the garden, making a fantastic indoor/outdoor social setting. The dining area also provides a useful work from home space separate to the main living room and bedroom. The front door and window were updated by the current owner and make the front of the property very welcoming, particularly with the custom plantation shutters in the front window.

This apartment is situated in an exciting area for a young professional or couple, with easy access to both the Clapham Junction and Battersea Third Space gyms, in addition to the social life provided by the area, with fantastic transport links via Clapham Junction Station. The property also benefits from Wandsworth council tax (Band B) at £793/annum for the upcoming year (or £595 for a single person). It's a great place to live. An internal viewing is highly recommended to fully appreciate the stylish interior of this larger than average property.
