Believed to date from the late 19th century, this generously proportioned detached period home is located in an enviable rural position. The cottage exhibits character features from fireplaces to exposed beams and sits in a delightful garden.

The accommodation consists of an entrance hall, a triple aspect sitting room with fireplace and double doors to outside, a double aspect dining room with window shutters, a kitchen/breakfast room with Aga, leading to a garden room and a cloakroom on the ground floor.

On the first floor there are four double aspect double bedrooms, one exhibits exposed beams and a vaulted ceiling, whilst another has a wrought iron fireplace, the floor is completed with a family bath/shower room.

The attractive grounds extend to approximately 0.25 acres with an attractive lawned garden with flower and shrub beds to the front and an enclosed garden to the rear which is again laid to lawn with mature flower and shrub beds and a BBQ terrace with pizza oven. There is extensive garaging which could, subject to the necessary permissions, be converted to provide ancillary accommodation. A driveway provides off road parking.
