## The Property

A beautifully presented, individual property offering stylish family living with a spacious open-plan interior extending to nearly 2,400 sqft of accommodation, set in a quiet non-estate location within this pretty South Oxfordshire village.

Silva Felix was the subject of a complete refurbishment, extension and reconfiguration approximately seven years ago, essentially renewing every aspect of the property to an "as new" finish. This has created a contemporary house of real character with many unique features offering well balanced, family sized accommodation with four well proportioned bedrooms (three en-suite's) including a generous ground floor bedroom suite. There is a large open plan kitchen dining space, the central hub of the house, an impressive vaulted living room, separate study and a particularly large dining room.

Outside, there is a private south-facing garden with a large barn-style workshop, complete with light, power, and a mezzanine floor. At the front of the property, a walled entrance opens onto a generous block-paved driveway, flanked by lawns on either side.

York Road is a quiet lane off the main street of West Hagbourne. This pretty village features a quintessential village pond and a cluster of thatched cottages. It is closely linked with the neighbouring village of East Hagbourne, with which it shares a village primary school, a community post office and shop, and the parish church of St Andrew's.
