

An aerial photograph of a residential property. The main house is a two-story building with a grey tiled roof and light-colored walls. It has several windows, including a bay window on the right side. The property is surrounded by lush green trees and a large garden. In the background, there is a paved area with some outdoor furniture and a wooden fence. The overall scene is bright and sunny.

15 Church Gate

Shepshed, Loughborough

This grade two listed period residence offers excellent potential and requires modernisation to bring back to its former glory. Secluded and set back from the road the accommodation comprises reception hall, living room, cellar, dining kitchen with pantry store, bathroom, utility room and access to a studio loft room (potential to make an annexe style accommodation). To the first floor of the main house there are three bedrooms and stairs accessing two generously proportioned loft rooms with potential for conversion subject to necessary planning permissions. Outside there are gardens to the front side and rear.
