GUIDE PRICE £170,000 - £180,000. Located in the popular area of Swallownest, Manvers Road presents a straightforward and well-maintained semi-detached home with generous proportions throughout. Ideal for those looking for practical living in a convenient spot, the property offers a mix of modern features and a larger-than-average rear garden, making it suitable for both first-time buyers and those downsizing.

The property opens into a smartly finished kitchen which has been fitted with a range of high gloss grey units, giving it a modern feel. Integrated appliances and ample cupboard space make the kitchen functional and tidy, with enough worktop area for day-to-day cooking. At the back of the property is the lounge/dining room, a bright and good-sized space that overlooks the garden. A feature fireplace with a gas fire adds a focal point to the room, and there's plenty of room for both living and dining furniture. Upstairs, the property continues to make a good impression. Both bedrooms are genuine doubles, meaning there's no compromise on sleeping or storage space. The main bedroom is front-facing and well-proportioned, with room for wardrobes and drawers. The second bedroom looks out over the rear garden and is ideal as a guest room, children's room, or even a home office. The family bathroom is fitted with a white three-piece suite including a panelled

bath with shower, pedestal wash basin and WC. It's simply styled and well-kept. Externally, the property offers more than first meets the eye. The front garden is enclosed and finished with low-maintenance materials, which could appeal to those wanting an easy-to-manage outdoor space. There's also a parking space to the front, adding convenience. The rear garden is larger than average for this type of home and is set out in sections. A paved patio directly behind the house provides space for outdoor seating or dining, while a pebbled area leads to a central lawn. At the far end of the garden, a rubber-chipped area gives flexibility – ideal for children's play equipment or a further seating zone. Swallownest is a popular area on the southeastern edge of Sheffield, offering a good balance of residential calm and accessibility. Local shops, cafés, and takeaways are all within easy reach, with a larger selection of amenities available in nearby Aston and Woodhouse. For groceries, there's a Co-op in Swallownest itself, with an Asda Superstore located around a 5-minute drive away in Handsworth. The area

is also well-connected for those commuting or needing transport links. The A57 and M1 motorway network are both close by, making it easy to get to Sheffield, Rotherham, or further afield. For rail travel, Woodhouse train station is less than 2 miles away and provides links into Sheffield city centre and beyond. Families will also be interested in the local schooling options. Swallownest is within the catchment for several well-regarded schools, including Aston Academy for secondary education and Swallownest Primary School, both of which are within walking distance. Green space is available at nearby Ulley Country Park and Rother Valley Country Park – popular spots for walking, cycling, and weekend relaxation. Overall Manvers Road offers a balanced home in a location that's practical and accessible. The house itself is tidy, well-presented and with no major work needed. The larger rear garden adds to its appeal, giving extra flexibility for outdoor living or future potential improvements. It's the kind of property that will suit a range of buyers looking for sensible, low-

maintenance living with decent space both inside and out.
